

REJUVENATE

TECHNICAL INFORMATION

Product Description:

An environmentally friendly stone cleaner with built in penetrating sealer. Designed to be used as a regular cleaner for all natural stone surfaces. Regular use will extend the life of existing penetrating sealers and will seal unsealed surfaces.

Features + Benefits:

- PH Neutral formula
- Suitable for surfaces sealed or unsealed
- Built in sealer
- Very Effective on soap scum, grease & general soiling
- Apple fragrance
- Great for stone countertops & wall tiles
- Seals grout joints
- No need to rinse
- Environmentally friendly

Where to use:

- All natural stone surfaces such as: Granite countertops, sandstone, limestone, marble
- Ceramic tiles, porcelain & grout joints
- All polished stone & tile surfaces

Method of application:

1. Spray liberally onto area to be treated with 'Rejuvenate' and allow to stand for a few minutes to enable surface active ingredients to take effect.
2. Wipe with a clean absorbent cloth to remove any contaminants.

Available size:

500ml ready spray pack & 4ltr bottles.
