

BRIGHT AS

Technical Data Sheet

Product Description

A highly concentrated, very effective organic stain remover for internal and external use.

Features & Benefits

- Removes unsightly mould and mildew
- Cleans up bird droppings
- Removes tannin stains (leeching timber) and leaf staining
- Does **NOT** contain acids
- The perfect Spring cleaner for outdoor entertainment areas

Where to use

- On natural stones such as Travertine, Marble, Limestone, Granite, Bluestone, Sandstone.
- Terracotta Tiles
- Tessellated Tiles
- Ceramic and Porcelain Tiles, grout joints
- Concrete and Clay Pavers

Method of application

1. Dilute **Bright As** with clean water to the desired strength (see back of bottle for dilution rates)
2. Spread over the area to be cleaned (only clean in sections you can cope with)
3. Allow the solution to sit/dwell for 20 mins
4. Scrub the surface with the appropriate grade nylon scouring pad.
5. Remove the dirty water with a dense mop (a wet/dry vac is the ideal way) or hose off.
6. A final rinse with **Spirit Neutral Cleaner** is recommended to neutralise any chemical left.

Available Sizes

1ltr, 4ltr, 20ltr Drums
